Five-Month Behaviour Transformation Programme

Welcome to Holistic Pet Services! We're excited to help you and your dog through this five-month program. This agreement outlines what you can expect from us and what we need from you to ensure a successful journey.

What we promise to offer:

- 1. Expert help:** You'll work with a fully qualified Clinical Animal Behaviourist who will guide you and your dog. Other professionals, including an Animal Training Instructor and a Functional Movement Assessor may also collaborate with you and your Behaviourist throughout this programme.
- 2. Structured Sessions:** We'll create a personalised treatment plan with appointments spread over five months. These sessions will include longer "assessment sessions" and shorter "check-in sessions".
- 3. Online Support:** You'll have access to "Barky Dog Squad", our online membership for reactive and aggressive dogs, including learning materials and an online community, for the duration of the programme.
- 4. Ongoing Communication:** You'll have access to ongoing remote support throughout the programme, which can be accessed via WhatsApp, phone and/or email. This service is offered during the working hours of Monday to Friday, 10am to 6pm, and excludes times of annual leave. We aim to reply to all communications within 2 business days, but in busy periods this may take a little longer.
- 5. Privacy:** We'll keep your information safe and follow GDPR regulations.
- 6. Rescheduling:** Very occasionally, appointments may need to be rescheduled. If we believe this delay may harm your dog's progress, we'll recommend another professional and refund you the relevant amount.

What we expect from you:

- 1. Payments:** Make all payments on time. Delayed payments may disrupt the service you receive.
- 2. Follow Advice:** You'll be expected to follow the advice from your Behaviourist and implement any recommended changes. Not doing so may negatively impact your progress or result in injury.
- 3. Homework:** You'll be expected to complete any homework assigned to you. This may include, but is not limited to, watching video tutorials and webinars, completing worksheets, implementing recommended activities with your dog, and recording your dog.
- 4. Attendance:** Be on time for scheduled sessions or cancel with at least 72 hours' notice. Unused sessions, or sessions cancelled within 72 hours, may be forfeited.
- 5. Safe Training:** We strictly prohibit the use of aversive tools, including shock collars, prong collars, sprays, and rattle cans.

6. Respectful Behaviour: Treat everyone with kindness and compassion. Any attempts at violence or intimidation may result in the cessation of our service.

7. Confidentiality: Never share our teaching materials, or those of our partners, without our prior written consent. This includes, but is not limited to, the 'Barky Dog Roadmap', video teachings, worksheets, and handouts.

8. Open Communication: If you have any concerns about this service, please discuss them with us. This includes if you have reservations over implementing any of the advice.

9. Veterinary Advice: We are not veterinarians and cannot offer you veterinary advice. If you have medical concerns about your dog, please contact your veterinary team.

10. Transparency: Be honest with us about your dog's behaviour. If you feel there has been an oversight or any advice may not be safe to implement, please discuss this with your Behaviourist as soon as possible.
